

Ahoy Mate,

Welcome to the wonderful world of Pirate Lights Marine Security Systems!

We would like to thank you for taking that all important step to help secure the safety of your vessel and your loved ones.

A detailed instruction is included in the enclosed treasure trove of marine safety and the security. It is our hope this instruction will assist the able-bodied, self-sufficient sailors like you with installation and operation.

Please feel free to contact us with any questions and concerns, and we always appreciate commentaries you may have.

Our greatest "bounty" is obtaining your 100% satisfaction with our product, and our upmost intention is always to work to achieve this goal.

Please send us pictures of your completed security/ambience. We would love to include them on our website.

We wish you fair winds, following seas with Peace of Mind ... whether at anchor or at the dock!

Sincerely,

Pirate Lights Marine Security Team
